In 1911 I planted Early Hazelnut, Juneau, Dallas, and the
2012 varieties: Williams, Milton's, Montana, and Densley. I have
Sogan, Red, Black Champion, current Fays, Pacific
Current Smiths Improved. Delicious and
Houghton's good berries, Rathburn Blackberry and I
have under experiment the Kansas Thimble.

Blackberry from California planted in my
1917. I have been
last year and the named are still living and
strongly. We have had some very hot weather.
this minute, and I believe the plants are going through the winter all right. If they do, I am going to offer them for sale next year. Have not told any yet, just waiting to see if they will stand our winter. Here, let me sell the Anacletus, St Regis, Pfallberg, Gregg B. B. Cumler, R. B. Sady Thompson, and Family strawberries, and the Progressives Everheary, Troubador, Agraph.

Improved early, Niagara, Concord, Brighton, Catawba, Green Mountain, and Delaware, shade trees.

Weeping willow, Yellow weeping willow, Pungi catalpa, white elms, blu, black, Everheary, smoky, Russian, soft maple, Locustina, and Lombardy peas.

Black locust, Catalpa, Helocas.
